

Coming soon to Brimfield!

Discover the Next Chapter of Senior Living

Rooted in our faith-based, nonprofit mission, The Village of St. Edward has provided seniors with independence, dignity, and compassionate care for over 60 years. Our commitment extends beyond care—fostering community, connection, and a sense of belonging. And rest assured, we'll never turn anyone away if they outlive their funds. Discover a community where seniors thrive in body, mind, and soul.
